What is a pilgrimage?

The word "**pilgrim**," derived from the Latin peregrinum, conveys the idea of wandering over a distance, but it is not just aimless wandering. It is a journey with a purpose, and that purpose is to honor God.

What is the purpose of World Youth Day?

World Youth Day was initiated by Pope John Paul II in 1985. It is a worldwide encounter with the Pope which is typically celebrated every three years in a different country.

Both international and domestic World Youth Day celebrations are important for three reasons: first, celebrating and putting trust in the young; second, making pilgrimage; and third, encountering the Catholic community.

How old do I have to be to attend World Youth Day?

World Youth Day is a pilgrimage experience targeted to those ages 16 to 35. We especially encourage young adults in their 20s and early 30s to attend the international World Youth Day event.
